## **ANALYSIS**

This is the first request for an extension of time of a previously approved Special Use Permit (SUP-27951) for a Hotel Lounge Bar within an existing 43-room Hotel located at 2651 Westwood Drive. Since the approval of the Special Use Permit (SUP-27951), the applicant has not been issued any building permits for the proposed project. In accordance with Title 19.18.060, a Special Use Permit is exercised upon the approval of a business license for the activity, if required, or upon the issuance of a Certificate of Occupancy or approval of a final inspection.

## **FINDINGS**

The Special Use Permit (SUP-27951) has not met the requirements outlined in Title 19.18.060 to exercise the entitlement. The applicant is requesting a one-year extension of time due to poor economic conditions and reduced revenues. There has been no new development or changes in land use in the surrounding area since the approval of the Special Use Permit (SUP-27951); therefore, staff is recommending approval with a one-year time limit. Conformance to the conditions of approval of Special Use Permit (SP-27951) shall be required.
